The Ministry of Social Development (MSD) also pays an Income-Related Rent Subsidy (IRRS) to registered housing providers to cover the balance between the tenant's rental payment and the market rent for the property.

Community Housing Providers

Community Housing Providers (CHPs) became eligible to receive the Income Related Rent Subsidy (IRRS) from 2014 for tenants placed from the Social Housing Register.

CHPs are registered, regulated and monitored by the Community Housing Regulatory Authority, a part of the Ministry of Business, Innovation and Employment (MBIE).

Transitional Housing

Transitional housing provides warm, dry and safe short-term accommodation for people in need, along with tailored social support while they're there. Transitional housing is managed by contracted providers, who are skilled in supporting tenants with a range of social and tenancy-related services, and are also responsible for maintaining the properties.

The transitional housing programme is led by MSD and Housing New Zealand and involves local councils and emergency housing providers.

People living in transitional housing pay rent of up to 25% of their income, which is in line with income-related rents for public housing. The balance is subsidised to providers by MSD.

Housing Support Products

Housing Support Products (HSPs) consist of a range of products designed to assist people to achieve or sustain independence in the private housing market. HSPs help to ensure that those who most need public housing can access it by reducing the number of people on the register, and by helping those who can sustain alternative housing to transition out of public housing.

Social Housing Register

When New Zealanders are in need of public housing, their needs are recorded on the Social Housing Register. The Social Housing Register is comprised of a Housing Register and a Transfer Register. The Housing Register is prioritised by need and consists of public housing applicants who have been assessed as being eligible. The Transfer Register is made up of people already in public housing, but who have requested and are eligible for a transfer to another property.

Emergency Housing Special Needs Grant

The purpose of the Emergency Housing Special Needs Grant (EH SNG) is to help individual and families with the cost of staying in short-term accommodation if they are unable to access one of the Ministry's contracted transitional housing places.

The EH SNG pays for short-term accommodation for up to seven days at a time, and is provided by commercial and community providers who are not contracted by MSD to deliver accommodation services.

With more transitional housing places coming on board in the quarter ending 31 March 2018, MSD has seen a decrease in the number of EH SNG being paid.

In the quarter ending 31 March 2018, there have been **332** grants made supporting **153** households compared with **568** grants supporting **176** households in the quarter ending 31 December 2017.
